### KEY FEATURES AND BENEFITS

These uniquely stylized LED Bollards are designed using COB technology and produced to provide uniform lighting while accenting any landscape. This bollard provides low glare and highly cost-effective pathway lighting.

Solas Ray Designer Bollards become the featured addition to illuminate and accent landscaping, walkways, buildings, hospitals, office buildings, schools and parking areas. Anywhere security, visibility and safety is needed, ask for quality, demand performance and expect reliability from Solas Ray bollards.
