Universal Bollard Retrofit Base Kit

Cat. #	Type
Notes	

Install New Bollards In Existing Concrete

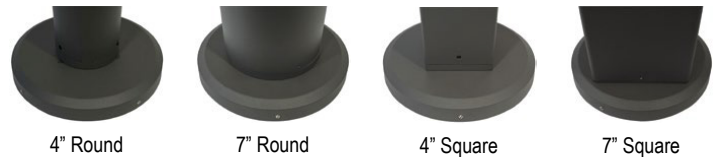

KEY FEATURES AND BENEFITS

The Bollard Retrofit Base Kit allows installation of new bollards to most existing bolt patterns without removal of existing bolts. Fits all Solas Ray™ bollards, both round and square.

- Heavy duty die cast aluminum anchor bolt retrofit adapter plate.
- Heavy duty die cast aluminum bollard mounting cover plate.
- Includes 4 stainless steel leveling bolts.
- Two leveling bubbles to level base prior to mounting new bollard.
- Stainless steel bolts for mounting bollard base plate.
- 4 stainless steel set screws for securing the cover plate to the adapter plate.
- Powder-coat finish over chromate conversion coating in black or bronze.

Fits Solas Ray™ 4" and 7" Bollards

New Bollard

The new bollard is attached to its base plate the same as in a standard installation.

New Bollard Base Plate

The new bollard base plate attaches to the bollard mounting cover plate with the included bolts.

Bollard Mounting Cover Plate (Included)

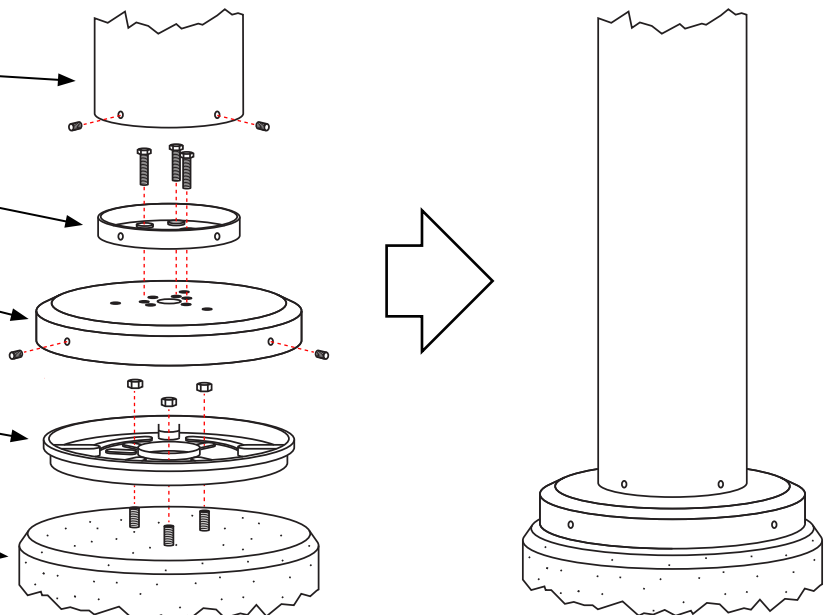

Features threaded holes for mounting the new bollard. Attaches to the anchor bolt retrofit adapter plate with side mounted set screws.

Anchor Bolt Retrofit Adapter Plate (Included)

Attaches directly to concrete base using existing anchor bolts.

Existing Concrete Base with Anchor Bolts

No need for new concrete base

Universal Bollard Retrofit Base Kit

HOW IT WORKS

Anchor bolt retrofit adapter plate bolt circles for use with existing anchor bolts.

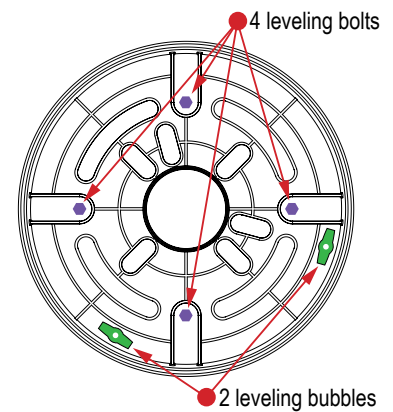

Anchor bolt retrofit adapter plate allows for mounting with field installed drilled anchors.

6.5" bolt circle for Drilled Anchors. Used when existing anchor bolts do not fit 4-bolt or 3-bolt slots or are damaged. These must be cut off and new drilled anchors installed.

Anchor bolt retrofit adapter plate includes 4 leveling bolts and built-in levels.

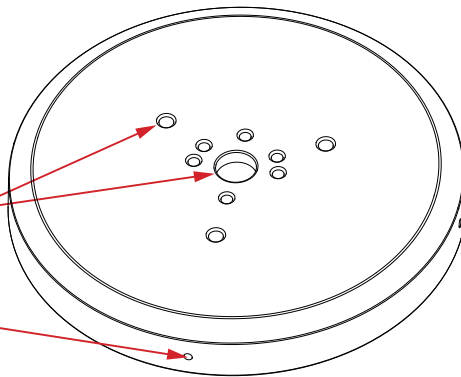

COVER PLATE

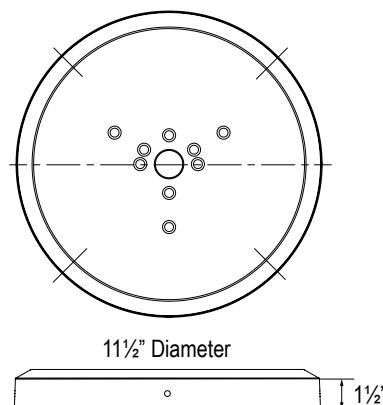

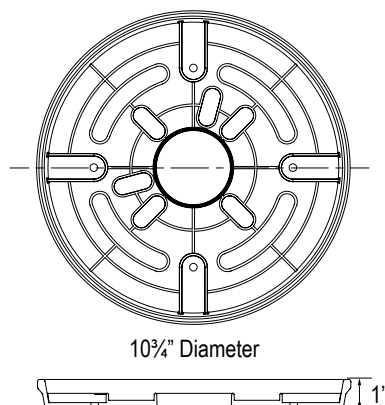

Bollard mounting cover plate mounts to bollard base and anchor bolt retrofit adapter plate.

Cover plate features threaded holes to accommodate different bollard anchor bolt combinations plus center conduit access.

Includes 4 set screws for the locking cover plate to the adapter plate.
